Booking functionality	From RM399
Custom forms	From RM150
Advanced dashboard	Custom quotation
API integration	Custom quotation

CLEAR SCOPE. CLEAR COSTS.

Standard page and product-upload rates apply to standard content work. Custom functionality, complex variants and paid third-party services are reviewed and quoted separately.

PRICE TRANSPARENCY

NO SURPRISE PRICING

Before development begins, you receive an agreed project scope and quotation.

YOUR QUOTATION CLEARLY IDENTIFIES

- ✓ Development fee
- ✓ Included pages / features
- ✓ Optional extras
- ✓ Recurring third-party costs, if any
- ✓ Estimated timeline
- ✓ Payment schedule

Any new work outside the approved project scope will be discussed before additional charges are applied.

PAYMENT FOR NORMAL PROJECTS

50%

Deposit

To confirm and begin the project.

50%

Final balance

After final approval and before final production handover / launch.

The RM599 Starter Website follows the same 50/50 structure unless otherwise agreed. That is RM299.50 to begin and RM299.50 after final approval, before handover / launch.

Large / custom projects may use an agreed milestone payment structure.

SEPARATE COSTS ARE SHOWN UP FRONT

Domain, hosting, paid third-party services, paid software / licences and payment-gateway transaction fees are separate unless specifically included in the quotation.

HOW WE WORK

From brief to launch.

A clear process, an agreed scope and timely content help keep your project moving.

THE PROJECT PROCESS

- 01 Discovery**
Business goals, audience, pages, functionality and content.
- 02 Scope + quotation**
Confirm deliverables, price, exclusions and payment schedule.
- 03 Design + development**
Build the responsive website and agreed functionality.
- 04 Review + revisions**
Client review and the included reasonable revision rounds.
- 05 Final QA + launch**
Responsive checks, final approval, final balance and production launch.
- 06 Optional ongoing care**
Choose a maintenance plan for agreed updates and upkeep.

APPROXIMATE TIMELINES
